

New centre for children with autism

The beachside suburb of Brighton has become home to AEIOU Foundation's newest centre for children with autism, with the centre commencing operation on Monday 27 November, 2017.

Enrolments
are now
open!

Located on the grounds of Minda, this centre is purpose-built to provide evidence-based early intervention for children with moderate to severe autism who are aged 2-6 years.

AEIOU Foundation is an NDIS-approved provider, with a program delivered by a transdisciplinary team comprised of:

- Behaviour Therapists
- Occupational Therapists
- Speech Pathologists
- Early childhood teachers
- Skilled learning facilitators

AEIOU Brighton will feature four classrooms, therapy rooms, a motor skills room, a parents' retreat, large covered outdoor play facilities and parent training facilities.

About AEIOU Foundation

Established in 2005, AEIOU Foundation is a not-for-profit organisation and a leading provider of affordable and effective evidence-based early intervention for children with autism.

At AEIOU, children are supported to develop vital life skills, helping them to transition to their next educational setting. The program ensures children receive the best opportunities to achieve optimal lifelong outcomes, fostering confidence, greater independence and inclusion.
