

AEIOU Foundation—Adelaide

NDIS Workshop & Parent Forum

Helping you achieve successful outcomes for your child and family

AEIOU Foundation has been working hard to assist parents navigating the NDIS. With many Adelaide families preparing for reviews, program coordinator Diane Keating will provide information to help you in your discussions with your planner. As well as helping with key messaging, she will be available to answer questions.

This session will be followed by the AEIOU parent forum, which is an opportunity to meet your new centre manager Karen Piscopo, hear what is going on at AEIOU Huntfield Heights, and share your insights.

Date: Friday 17 February 2017
