Day

Tuesday 1 August
9.00am - 11.00am

19 Lindisfarne Rd, Huntfield Heights

Parents, caregivers, health and educational professionals are invited to join us at **Huntfield Heights AEIOU** to **discover** how our early intervention program for children with autism is changing lives.

With our new centre soon to open in Brighton, this is an opportunity to see our evidence-based program first-hand and **meet** our transdisciplinary team.

PLEASE RSVP TO:

Karen Piscopo

AEIOU Foundation Service Manager

p. 08 8187 2777 **e.** huntfieldheights@aeiou.org.au

Parents & caregivers: As staffing level requirements prevent us from caring for visiting children, we request alternative arrangements are made for your children while attending our Open Day and Workshop.
