BROWNS PLAINS

PUTTING FOOT DOWN FOR KIDS

Physio David Chiang is cycling to help children. Picture: SUPPLIED

BROWNS Plains physiotherapist David Chiang is participating in the Chain Reaction Bike Challenge to raise needed funds for the AEIOU Foundation and Ronald McDonald House.

The ride, about 1000km from Sydney to Brisbane, is from April 29 to May 5.

The teams hope to raise funds for early intervention programs for kids with autism at AEIOU Foundation and for the refurbishment of

Ronald McDonald House South East Queensland.

Mr Chiang has provided physiotherapy and rehabilitation services to the Logan area for 28 years.

He is well known in Sunnybank Hills and this year he has decided to put his cycling obsession to good use.

To help David raise funds for these worthy charities please visit: <http://chain-reaction.org.au/rider/david-sportsphysio-net-au/>
