Chain gang

Olympians Steven Bradbury and Susie O'Neill warmed up a 200-strong crowd at Cloudland, Fortitude Valley for the launch of this year's Chain Reaction Challenge. Guests from Brisbane's business and cycling communities included some of the 46 Queensland cyclists who aim to ride more than 1000km to raise \$1 million for children's charities including the AEIOU Foundation for children with autism, and Ronald McDonald House South East Queensland. Executives will ride a different course each day, from Sydney on April 29 to Brisbane on May 5. The Cloudland event alone raised \$35,000.
