

AEIOU 2017 PARENT WORKSHOP SERIES

Calling all families!

Our next centre workshop is **communication in the home environment**

Our AEIOU workshops series is designed to provide you with the evidence behind our program, as well as practical tips and strategies to use at home. In this workshop, attendees will learn:

- ✓ How children learn language
- ✓ the functions of language
- ✓ The power of requesting & role of modelling in language development
- ✓ Everyday activities to encourage development of communication skills

Date: Thursday 2 November, 2017

Time: 9.00am – 11.00am

Venue: Parent room

Check out our blog on the AEIOU website for more information:
