

# AEIOU Foundation Workshop:

For parents, educators, and health professionals

FREE!

## Supporting children with autism and their challenging behaviours & how the NDIS is funding early intervention

Thursday 30 November

Two sessions available: 9.00am and 6.30pm

- Do you want to better understand and support children with autism?
- Would you like information on how to deal with challenging behaviours?
- Are you informed on how the NDIS can fund early intervention programs?

Join AEIOU Foundation for a free 90 minute workshop which will help you gain an understanding of the functions of behaviour and learn tips and techniques to assist with challenging behaviours.

Information about how AEIOU Foundation's program can be funded through the NDIS will also be provided.

This event is suitable for any person supporting young children with an autism diagnosis in a home, educational or healthcare setting.

### Venue

**Southport Community Centre:**

6 Lawson Street, Southport

### Registration

Registration is essential. Please RSVP with the session of your choice to Lauren Reddington-Smith on 5618 5888 or email [goldcoast@aeiou.org.au](mailto:goldcoast@aeiou.org.au)

**aeiou**  
FOUNDATION  
for children with autism

AEIOU Foundation is a leading provider of early intervention for young children with autism aged 2-6. AEIOU utilises evidence-based practices to deliver therapy, education and care in a naturalistic setting.

## Meet our Presenters

**Ian Cronin is a Program Coordinator for AEIOU.** As a Board Certified Behaviour Analyst (BCBA), Ian trains, supervises and supports AEIOU staff in implementing evidence-based strategies in early intervention for children with autism. Ian joined AEIOU in 2015 with a Master of Applied Psychology, specialising in Applied Behaviour Analysis. Having previously worked in early intervention in Perth, he has gained significant experience in taking a functional approach to behaviour and learning.

Ian has since worked across multiple AEIOU centres and is passionate about the amazing outcomes that can be achieved for children with autism using the science of behaviour analysis.

**Katrina Ives is AEIOU Foundation's NDIS specialist,** supporting families who have a young child with autism to navigate the Scheme and access funding for reasonable and necessary supports.

Katrina has been part of AEIOU's team since 2010 in a similar capacity, assisting and advocating for families prior to and during their enrolment in the Foundation's early intervention service.

With a background in finance and the NGO sector, Katrina is able to provide practical, caring advice during the early years of an autism diagnosis.
