Statement by Greg Johnson, General Manager, AEIOU Foundation

AEIOU Foundation takes great care to provide a safe and nurturing environment for its families and staff.

On Monday 4 June, AEIOU was made aware of an incident involving a staff member at our Gold Coast centre. We are working with Queensland Police to assist them in their investigations.

The staff member has been dismissed. There is no evidence to suggest any child has been at risk.

This is a serious matter and, as always, AEIOU remains focused on the welfare of our families and staff.
