

## Understanding behaviour Community Workshop Series

Join AEIOU Regional Manager Enia Alberto to learn more about our new service in the ACT and how we can all better support children with autism in our community.

The session will include:

- ✓ A meet-and-greet with some of our AEIOU Canberra Region team
- ✓ The functions of behaviour
- ✓ How behaviour functions as a form of communication
- ✓ The evidence behind the strategies employed at AEIOU

We encourage parents and carers, early childhood professionals, allied health workers and students interested in a pediatric career to attend.

### When:

**Tuesday 13 April 2021**

**6.15pm arrival for a 6.30pm start**

### Where:

**Marymead Autism Centre**

Room 1A & 1B

255 Goyder St, Narrabundah
