Our **AEIOU Parent Workshop Series** is designed to provide you with the evidence behind our program, as well as practical tips and strategies to use at home, and in the community.

In this workshop 'Expanding Your Child's Play Repertoire', attendees will learn:

- Strategies for teaching your child to play for longer periods of time and with a wider variety of toys and play themes;
- How to identify and build on your child's current interests and abilities.

You will also have the opportunity to ask questions and develop a plan for working with your child at home.
