

Supporting children with autism

COMMUNITY WORKSHOP SERIES

**Wednesday 7 August 2019 | 5.00pm**  
**James Cook University**

Education Central (Building 134), Room: 134-021-HD Collaborative Teaching Space

Join AEIOU Foundation Townsville for a FREE 2-hour workshop which will help you to better understand and support children with autism spectrum disorder (ASD). This session will include a segment on the functions of behaviour, providing tips and techniques to assist with challenging behaviours. We will also discuss navigating the NDIS.

This introductory event is suitable for any person supporting young children with an autism diagnosis in a home, educational or healthcare setting. **All are welcome!**

**Registrations are essential.** To register, please visit [aeiou.org.au/community](http://aeiou.org.au/community) or contact AEIOU Townsville directly on **(07) 4773 2898** or email [townsville@aeiou.org.au](mailto:townsville@aeiou.org.au)
